For completing glorious 25 years, the entire Management and all the crew members deserve applauds and appreciation in making SVNPS a Brand in twin city of Haryana.

It's said that reminiscence of our school days give pleasure and happiness and are real treasure of life, where I spent 11 years in late 90's.

I express gratitude from the core of my heart to my amazing teachers who helped me in transforming from a naughty and inquisitive child to a matured adolescent to face the world fearlessly with confidence.

Transformation from being an employee to an employer was never a cake walk. I served top Ranked Pharmaceutical organizations - Lupin Ltd. & Zydus Healthcare, assigned as Sales and Marketing head for North India and left Zydus after 15 years to achieve another milestone in life by starting my own Pharma venture which was recognized amongst India's 500 best Startups in year 2019.

Senior SPORTS CAPTAINS

Abhishek Minj

It gives me immense pleasure to introduce myself as sports captain for the session 2022-23. A captain should embody 3 C's in leading his team: Caring, Courageous and Consistent. And here our team refers to all the children of my school. Talking about my achievements, I represented my school in skating and won gold medal at National Level. This can only happen because of my coach Mr. Vishal Bakshi and the school authorities for providing me such environment to excel.

Poushalee Mehta

The badge of Sports captain is more than a title to me. I would always be there to provide support and never withdraw my accountability for overall outcome. However, i was not the winner there but still I learnt from my failure and won third prize in an open tournament . I am not only fond of chess but learnt to swim in my school. I am a green belt in karate and won a silver medal at Cygnus school. This was only because of our school environment which encourages talent at a very young age.
